PARENT ADVISORY COUNCIL**

Minutes

June 3, 2020 7:00 pm via Zoom

Attended: Shirley Gau, Angela MacDonald, Cathy Tumoath, Leanne Dragon, Sue Zettler, Lena Schofield, Anne Mobach, Audra Donison, Dean MacInnis, Rajiv Rawat

1. **Agenda** – additions suggested: Online learning workload, staff/student ratios
2. **Approval of Minutes** – no minutes available at this time
3. **Standing Reports**
 - a. **Trustee Report** – Rajiv discussed the CPHO document on regulations, each school is developing a plan. The Board continues to work on website revisions, the survey was distributed. Budget is approved but expected to change dramatically but full staffing assured. Re Superintendent position – there will be announcements coming soon
 - b. **Principal's Report** – Dean reviewed the Admin report. Special focus on Grad and planning for next year. Report cards will be mailed out June 26-29.
 - i. **Graduation** Dean has submitted a proposal and hopes to hear back from CPHO by Friday and will notify parents. Dates would be June 26, 27, 28. There are different plans to allow for what the CPHO will agree to. Grads really want to be together, and parents will likely rotate through in groups. Academic ceremony and awards only. Possibly at Multiplex or Fieldhouse or at Somba K'e park.
 - ii. **Planning for 2020-21 school year-** Dean has submitted a 28 page proposal, waiting to hear back from CPHO. Tentative schedule would be to have kids attend school in

either am or pm for 4 shortened 40 minute periods, with expectations they will do Google classroom etc on their free afternoon/morning. Class sizes reduced. There will be a gradual return to school with kids getting orientation to new processes but expect full school by September 8. There were many questions and much discussion. Parents noted that there may be a need to prepare kids from middle school, with a lighter workload, to ready them for high school. For more details on next year's plan, see Dean.

4. Old Business

- a) **Chairperson position 2020-21** – This is Audra's last meeting as chair, and there is still a need for someone to take on this role for next school year. One person suggested was David Wasylciw, Dean will approach him to see if he might be interested.

Next meeting: Parents requested a July meeting, Dean agreed, with sole agenda item being Q&A about next school year. Leanne agreed to take the PAC email list from Audra to help arrange that particular meeting (but is not available to chair for next school year).
