School Supply List – 2021-2022

Many of our families have more than one child attending our school. For this year, we have changed the format of our school supply list in the hopes that shopping becomes easier. Please remember that individual teachers may have additional requests for families.

Please note that to protect the health and safety of all students and staff, supplies will not be shared at the class level. Therefore, it is recommended that each student’s individual supplies be labelled with their name.
