### STATEMENT OF PROFESSIONAL STANDING

You must request that a Statement of Professional Standing, be sent directly to our office from the Ministry/Department of Education that issued your current teaching certificate. You must ask for a *Statement of Professional Standing* and not a statement of scholarity, statement of qualifications, record of standing, record card, qualification card, etc.

The *Statement of Professional Standing* is a document used as a Canada-wide notification system between certifying bodies. The statement advises a hiring jurisdiction that a teacher certified in another province has not had their teaching certificate suspended or cancelled for any reason and is in "*GOOD STANDING*".

The following are the addresses for requesting a "Statement of Professional Standing":
