## Life-long Learning

Meaningful learning experiences for students to motivate and inspire a love of learning and the life-long pursuit of knowledge.

Ongoing professional development (PD) for educators is a vital link between current research and classroom practice. Effective PD enhances program delivery and learning experiences for students.

Students have the opportunity to flourish in this arts-friendly learning environment.

Be it photography, drama, music, sketching, painting or other aspects of the arts, SJF provides dynamic instructors, and all the resources students need to follow their passions and fine tune their talents.

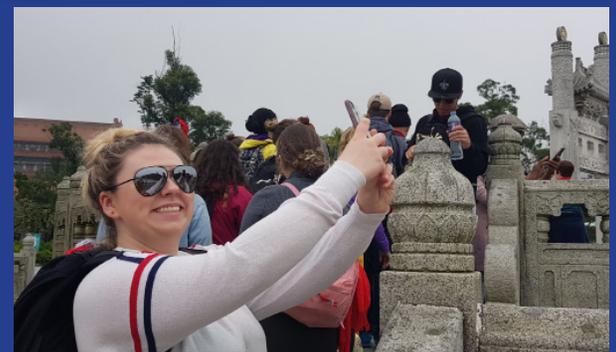

## Trades-Specific Training

The underlying goal of École Sir John Franklin High School is to connect with, create, and maintain long-standing relationships with students. Staff hold a shared responsibility focused on student achievement, and make it their mission to work as a community to provide diverse learning opportunities.

Whether the focus is academics, trades, technology, or arts, SJF is dedicated to addressing the needs of all students. SJF aspires to successfully exit 100% of students, and prepare them for a bright future.

## Quality Education

- State-of-the-art facility offers a safe and caring environment, which supports and understands the unique needs of high school students
- Opportunities abound for all who have an interest in developing skills and abilities, acquiring knowledge and participating in today's multi-faceted high school experience
- Innovative teaching enhances learning as students travel the globe, attend conferences and participate in community service programs shared and showcased locally
- Programming seeks to develop all aspects of each student's intellectual, physical, social, emotional, cultural and aesthetic needs

SJF has a lot to offer...

- Programming to meet the needs of students as they prepare for post-secondary studies, apprenticeships or the workplace
- Dynamic fine arts programs (music, band, choir, drama, visual arts)
- English and French language programs
- Numerous extra-curricular and sports activities
- An extensive trades curriculum and work experience
- Indigenous culture programming and camps
- Night classes available and alternative learning facility (Route 51)
- Tailor-made programs specific to student needs
- Actively supported by a Parent Advisory Committee (PAC)
- Advanced Placement Program

French Immersion programs are designed for students whose first language is not French
