# K'alemi Dene School

Building our children's future today by teaching and learning the Dene way

## Indigenous Language & Culture

- Culture based education using Dene Kede as our guiding curriculum
- On-the-land experiences: canoeing, berry picking, trapping, snaring, dog sledding and duck plucking and more
- ILC Teacher and School Elder provide Willideh classes and integrate the Willideh language into our everyday practices

## Extra-Curricular Activities

- Leadership & Resiliency Programming – healthy lifestyle choices and afterschool and weekend activities
- Afterschool: cross country running, skiing, track & field, sewing, soccer and guitar lessons

## Quality Education

- Dynamic educators
- Unique focus on the Dene perspective of teaching and learning
- KDS Elder-in-Residence

## Academics and Life-Long Learning

We have an on-going focus on developing literacy and numeracy skills. By providing students with meaningful academic experiences, they will develop higher-level thinking skills which will allow them to be flexible in the quickly changing workforce.

Literacy and numeracy skills are developed through:

- Integration of Dene Culture
- Multi-aged classrooms
- Best teaching practices
- Project-based learning
- Integration of technology
- Ongoing Assessment for Learning

Ongoing professional development for our educators ensures we are using current instructional best practices.
