Grade 3: Fire Hall Visit

Jeudi 4 octobre

Grade 5: Fall Feast at WMS

Vendredi 5 octobre

SIP Day: No school for students

Lundi 8 octobre

No school- Thanksgiving

Principal's Message

As the weather is changing very quickly and is unpredictable - sunshine to snow to sleet back to sunshine, it is very important that your child comes to school dressed in layers or has extra clothes left in their backpacks.

This Friday when students are at home enjoying their day off from school, our teachers will have the opportunity to learn and work with René Michaud. Renée is an Educational Consultant in Math from Calgary working with our teachers this year. The focus for both Friday and Saturday's sessions will be number sense.

Last Thursday we had a very successful Terry Fox School walk followed by a much appreciated Big Crunch apple snack.

Thank you to those who have placed some money in the Terry Fox collection tin at the office.

Have a great 4 day weekend celebrating Thanksgiving with family and friends!!!

STUDENT ATTENDANCE

If you know your child will be absent please phone the school at 873-3477. Leave a message stating your child's name, teacher's name and the reason of the absence. You can also email the school secretary Mme Stéphanie Larente at stephanie.larente@yk1.nt.ca

This will help with attendance in the morning.

Thank you for your cooperation.

IMPORTANT UPCOMING DATES

lundi 8 octobre

No school-Thanksgiving Holiday

mercredi 10 octobre

Grade JK-K and 1: Fire Prevention Presentation

vendredi 12 octobre

Grade 2 Fire Hall visit

mercredi 17 octobre

Grades JK to 3: Northern Indigenous Concert

Grade 4 and 5: Visit to Fire Hall

PAC Meeting at 7:00pm

MESSAGE FROM THE PAC

Next meeting
Wednesday
October 17th
7:00pm
Music Room
You will soon
be receiving a
survey please
take a moment
to answer it.
PAC needs
your
assistance.

Drop Off in the Morning

You are invited to drop off your child in the designated drop off zone along the roadside fence, but please remember that this zone is for children who are capable of getting out of the car without the need of assistance. This will help keep the flow of traffic moving. If your child needs assistance please take the time to park in the angled parking area to help your child make their way to the school safely.

The parking lot is congested in the morning and everyone is trying to make their way to work on time, but please be respectful and not go around cars in line to exit the school grounds.

If your child is old enough to walk by them self towards the front of the school, you may want to opt for a drop off on Forrest Drive at the end of the baseball field or on Burwash Street where there is a pedestrian walkway. It is important that your child makes their way to the front of the school where there is supervision.

NWT PARENTS AND CAREGIVERS

SAVE THE DATE

CANNABIS & THE BRAIN

Facebook Live Event

Dr. Matthew Hill will be joining us from the University of Calgary the evening of October 3rd to discuss and address questions relating to youth, cannabis and its effects on the brain.

To view his biography, visit this link:
<https://hbi.ucalgary.ca/profiles/dr-matthew-hill>

This is a **public event** geared towards, **but is not limited to**, parents and caregivers. Questions will be accepted during the live stream.

This event will be streamed live on the ECE Education Renewal Facebook page. Tune in!
