Principal's Message

The installation of the "No Stopping" signs seems to have helped with the flow of traffic out of the parking lot. Thank you to all those involved with working towards safer conditions for the students of EJHS!!! It is hard to believe that we are only 9 school days away from the Christmas Break. The children have been working hard practicing for their Winter concert performance. **We remind parents that parking will be an issue but for safety reasons please do not block the bus lane nor park up in the back of the school where the dumpster and recycle bins are located.** Consider parking on Burwash or Forrest Drives and on 57th Street. **If there is a parent or relative with mobility challenges please contact the office so we can assist them with parking and entry into the school.** There are many things going on throughout the month of December so it has been decided to wait until the new year to officially recognize the human and financial resources that have been involved with the installation of the new books and furniture that were added to École J.H. Sissons' Library over the summer.
