Principal's Message

CONGRATULATIONS!!! to all of our soccer players and their coaches for a job well done.

A BIG thank you to our Sir John student coaches for taking on the task of coaching our teams and to the staff and parents who supervised our teams throughout the tournament.

Friday's puddle reward was very enjoyable. The students squealed with joy when released into the playground to let loose in the puddles.

This week Track & Field practices begin after school. They will be held Tuesday to Thursday for the next 3 weeks.

Parents if you can volunteer, even if for a an hour or two, for the plant sale please submit your name to PAC via their email address. If nothing else send your friends and family to purchase their seedlings the day of the sale.

Mark your calendars that May 23rd will be the date for the grade 4 & 5 Spring Concert at 7 pm.

Message from PAC

May 25 is approaching and it is time to begin organizing ourselves for sale day!

We need volunteers for

- 1.) **set up Friday after school** (organizing dropped off plants, moving plants from classrooms/office to sale space, hanging signs, placing stickers on pots to indicate cost etc)
- 2.) **Sale day** (keeping plants organized and consolidated, helping people find what they are looking for, keeping the flow of traffic moving, pricing plants etc)
- 3.) **Clean up after the sale** (putting tables away, sweeping, tidying up)

Please let me know what you would like to help with! Your help is very much appreciated :)

Please help get the word out and distribute the Plant Sale poster around town.

If you would like to volunteer with the Plant Sale, please send an email to the PAC at jhspac@gmail.com

Dear parents and guardians,

Our grade 5 class read an article during Health class regarding Friendship Benches. A Friendship Bench is where you go if you have no one to play with or if you are lonely. It is also a place where you can sit to rest or talk to someone. It is colourful and inviting. If you notice someone sitting on the bench, you can walk over and ask them if they want to join you in your game or if they simply need to talk. We noticed that certain people are alone during recess and we thought this could be a good start to solving this issue.

So, our grade 5 class would like to add a Friendship Bench to make the schoolyard a happier place! We need your help and support to make this project possible and successful. If you have a bench that you are not using or some extra painting supplies that you would like to donate to our project, please contact us through our teacher, Mme Danika, to the following e-mail address: danika.jobin@yk1.nt.ca Please keep in mind we are only looking for used products as we are trying to give a second life to things you are not currently using.

We thank you in advance for your help and support!
