Principal's Message

Thank you to those parents who have taken the time to answer the PAC Survey. PAC aligns their activities based on the responses received, thus it is very important to complete it. You will notice that the Prospector's tent has been set-up for teachers to take their students outside. Thank you to PAC for orchestrating this. A true example of why Mabel's Labels are great -- An adult dropped off a pair of sunglasses to the office that had a label identifying the owner. The cute part to this story is that the child I now in grade 5 and the sunglasses are too small for them. Despite this fact the glasses were returned to their rightful owner. Thank you to M. Sévigny and Mark Simmons who came out on Sunday to begin dismantling the rink in the back of the school (see pictures last page). Next Saturday morning at 10 am more parents are needed to help dismantle the rink. PLEASE come out with your drills even if it is for a short period of time. If you do not have a drill we have one for you. Parents please consider sending a water bottle to school with your child. There is only one fountain for the entire school population which long line ups after gym class. If the children had a water bottle they would be able to get back to class quicker to have a drink from their bottle. Next week Reading Assessments begin, having a good night's sleep before the assessment will give the students a more restful mind for the day of the assessment

DRESS FOR THE WEATHER MESSAGE

Please make sure that your child is **dressed appropriately** to go outside.

Not only do we go outside for recesses, but some classes may also be taught outside.

Sick Children

If your child is sick and/or has a fever, please keep him/her home.

This will help prevent spreading viruses at school.

Reminder to contact the school secretary to inform her or you could also email her at stephanie.larente@yk1.nt.ca
