## Principal's Message

This is our final version of "La semaine en revue" for the 2018/2019 school year. I would like to take this opportunity to thank the staff for their dedication and wonderful work with our students. I would also like to thank you, the parents, for your support and help in your child's / children's education. Please read the message on page 3 about the brown bag picnic lunch to celebrate the official opening of our wall tent during our Indigenous People's Day celebration. In your child's report card there will be a copy of the school supply list which corresponds to the grade they will be in for the 2019/2020 academic year. *Please remember that next year the school will **no longer** provide plastic utensils (spoons or forks) for those who do not have a set with their lunch. Children will have to remind Mom or Dad to keep a set in their lunch box. We need to do our part by reducing the amount of plastic that lands up in our landfill site.* Have a wonderful summer enjoying the outdoors, your time with family & friends or simply relaxing doing nothing. Return September 3, the first day of school, rejuvenated and ready to start a new school year!!!

**JHS PAC**

Dear Sissons parents,

We are excited to invite you on **June 19th**, to our 2019 Indigenous Day brown bag lunch and Grand Opening of our wall tent!

This year, we want to acknowledge the land on which we sit as well as the hard work that our PAC did to encourage our use of the playground and outdoor education program.

To celebrate, there is a ribbon cutting ceremony at 12:15pm in the school yard near the wall tent. To alleviate the congestion in the building, we ask that parents meet us outside rather than in the hallways as the classes will need to travel in the hallways. Please keep the pathways clear.

### Important info

- There are designated areas where the classes will sit during the ceremony. Students must remain with their homeroom teachers for the ceremony and fish tasting afterwards.
- We kindly ask that parents wait until the classes are settled and seated in their designated areas before placing themselves in between the swings and the rocks by the parking lot behind students who will be facing the tent (see attached seating chart).
- For the fish tasting, classes will move off to another area on the playground. Parents are invited to follow their child's class to enjoy a tasting of smoked fish from our lake. Teachers will offer fish to those who wish to sample.
- For the family picnic, families are free to set up their picnic elsewhere on the playground after having connected with classroom teachers. This enables families with children in two grades to eat together.
- When the 1:00 o'clock bell rings, ALL students are to report back to their regular classrooms for attendance.
- In honour of Indigenous Day, the students will be treated to a special performance later in the afternoon.

**\*\*\* As an important reminder, the school has a scent-free policy which includes perfume, bug-spray, scented sunscreen, etc. We respectfully ask that this be followed as several staff and students are highly allergic.**

We thank you for joining us to celebrate the work on our PAC and the land we share with the people of our Territory!

**HAVE A  
FABULOUS  
SUMMER  
BREAK!!!**
