## Principal's Message

Welcome to Spring it is finally here!!! I hope you were able to enjoy the beautiful weather we had this past weekend. Good luck to Sadee Mitchell and Evelyn Powless who are going to the Regional Learning Fair to present their Heritage project. Be sure to drop by the school Saturday between 9 & 11 am to purchase your seedlings/plants for your flower and/or vegetable gardens. Thank you to the parent volunteers for all the work they have done for the plant sale taking place Saturday May 25. Please drop off all plants Friday May 24 in the afternoon or between 5 & 6 pm that evening. June 12 is PAC's last meeting for this school year. There will be a few positions on the executive needing to be filled for next year, come out to the meeting to see how you can get involved. A **BIG** thank you to Cynthia Moyo of Best Movers for donating the shipping by bringing the school's order of self-regulation chairs up from Edmonton with her moving company. Keep June 19 at 11:45 open for you to join your child in a brown bag lunch picnic to celebrate the official opening of our wall tent.

# Plant Drop-Off

## Hay River Track and Field- [LAST CALL](#)

This is the last call for signing up for the Track & Field ASAP activity. If your child is going to participate in the Hay River Meet, it is important for them to practice after-school to make sure they will know what to do when we get there.

If you do not sign your child up before the end of the day Tuesday, they will, unfortunately not be unable to participate in the after-school practices.

Please sign them up for the ASAP program using [this link](#).

This is important due to the consent form for their participation.

There are 4 more practices for the students from grades 2 to 5: 2 next week and 2 the week after, always Tuesday and Thursday.

There are only 2 more practices for grade 1 students, this Wednesday and the next.

A reminder that this ASAP is **ONLY** for students attending the Hay River Track & Field Meet.

Thank you!

Dear parents and guardians,

Our grade 5 class read an article during Health class regarding Friendship Benches. A Friendship Bench is where you go if you have no one to play with or if you are lonely. It is also a place where you can sit to rest or talk to someone. It is colourful and inviting. If you notice someone sitting on the bench, you can walk over and ask them if they want to join you in your game or if they simply need to talk. We noticed that certain people are alone during recess and we thought this could be a good start to solving this issue.

So, our grade 5 class would like to add a Friendship Bench to make the schoolyard a happier place! We need your help and support to make this project possible and successful. If you have a bench that you are not using or some extra painting supplies that you would like to donate to our project, please contact us through our teacher, Mme Danika, to the following e-mail address: [danika.jobin@yk1.nt.ca](mailto:danika.jobin@yk1.nt.ca) Please keep in mind we are only looking for used products as we are trying to give a second life to things you are not currently using.

We thank you in advance for your help and support!
