Regular Day

### **Jeudi 24 janvier**

ASAP: Dance

Gr. 4-8 Math Parent  
Information Evening  
7:00pm

### **Vendredi 25 janvier**

SIP Day- No school

## Principal's Message

This week is very exciting for Sissons staff and parents. Consultant Renée Michaud will be sharing her expertise in the field of Math with us .

Remember parents it is very important to send your children to school with warm winter clothing to be prepared for changes in temperatures throughout the day. Neck warmers, good quality mitts (not gloves) and hats are a must. Thanks to Kerry Wheler a parent volunteer for starting a fire in the wall tent wood stove last Friday. A few classes took advantage of the warmth in the tent after spending time outside and were very appreciative of Kerry's work with the fire. Although much work has gone into improving the traffic flow in the school's parking lot making it much safer, parents are reminded that the bus lane cannot be blocked. The bus needs free flow into their lane from the road. Another area of concern is the back upper area of the school where the dumpsters are located. Parents are using this area as a drop-off / pick-up zone. This is an emergency route for fire trucks and ambulances only. Please do not park in this area. Parents are encouraged to attend the collaborative sessions Yk#1 will be hosting in the upcoming months to gain parent input into the relocation of Sissons' students for the fall of 2020. If you are unable to attend any of the sessions, once announced, be sure to send your ideas to Wendy Lahey or Katherine Harris, PAC co-chairs, at [jhspac@gmail.com](mailto:jhspac@gmail.com).

# Thank You for making a difference!

Each year, from mid-January to February, students are invited to submit words of thank you to their teachers or to a previous teacher that has made a difference in their lives.

Entries are collected all over the Northwest Territories schools where a school-based draw will determine one entry to submit into the NWT wide Grand Prize draw.

This year, the Thank You For Making a Difference campaign will start on January 14th and continues until February 1st. You can either print the paper at home and send it to school or go online and submit the form.

Here is the link for the [website](#).

## IMPORTANT UPCOMING DATES

### **Thursday, February 7:**

Junior Kindergarten and Kindergarten Parent Information Evening

### **Friday, February 15:**

STIP Day: No school

### Tuesday **March 12**- Wednesday **March 13:**

Parent/Student/Teacher Interview 4:30pm-7:30pm

March Break -No school

# Math Information Evening for French Immersion Parents

## Grades JK to 3

YK1 is proud to invite you to an information evening with Renée Michaud, French Immersion Math Consultant.

Title: How to Support Your Child in Math

Target audience: **Parents of children in French Immersion - grades JK to 3**

Location: YK1 Portables (behind YK1 Board Office)

Date: January 22, 2019

Time: 7 - 8 pm

# Math Information Evening for French Immersion Parents

## Grades 4 to 8

YK1 is proud to invite you to an information evening with Renée Michaud, French Immersion Math Consultant.

Title: Understanding and Memorizing are **TWO** Different Things

Target audience: **Parents of children in grades 4 to 8 in French Immersion**

Location: YK1 Portables (behind YK1 Board Office).

Date: January 24, 2019

Time: 7 - 8 pm

### Description:

As parents, you want your children to experience success in school. Come discuss and enjoy the different ways you can be a full-fledged partner in the learning of Mathematics. You will get a chance to talk MATH, discover MATH, and play MATH!

**Registration for both sessions is now closed**

Renée Michaud is a consultant for RLM Consulting. She designs and leads Math workshops in English and in French in Alberta and beyond both online and at conferences. Renée worked for over a decade as a Learning Leader and Facilitator for Consortium provincial francophone (CPFPP) and for Conseil scolaire FrancoSud. She has done presentations at numerous Alberta Teachers' Conventions, at CAIT's annual conference and at MCATA, to name but a few. Renée started her career as a Math and Science teacher in French Immersion in Calgary, AB.
