Principal's Message

Thank you to the second weekend of work done to remove the rink upright supports. The following people completed the work yesterday - Devin, Carys & Jack Lyall, Monique Robitaille, Aenea, Sunara & Rajiv Rawat as well as our fearless Leader Brigitte Rivet with her little helper Léo Rivet (all pictured on the last page). It is important to send a water bottle with your child to school. This will reduce the bottleneck (no pun intended) at the only fountain in Sissons which serves all of our population. If the children had a water bottle they would be able to get back to class quicker to have a drink from their bottle. Next week PAC is hosting a pasta lunch fundraiser for the school. Please have the form returned to the school by Tuesday October 23. Note that the bake sale taking place Wednesday October 24 is for the grade 3 - 5 students only. A group of grade 4 students are hosting the bake sale to raise funds for those affected by the devastating fire at the Rockhill Apts. We look forward to the numerous pictures that will be included in next week's newsletter from our participation in the National Take Me Outside Day, October 24. We have set up a new system for parents to register for a parent/student/teacher interview time. Please read the Semaine en revue next week for detailed instructions on how to sign up.
