Principal's Message

As mentioned in last week's message that information would be sent to parents on how to sign up for Term 2 parent/teacher interviews. All Homeroom Teachers will be including the sign up details in their weekly message along with a detailed instruction document to help walk you through the website. In this week's message is the same information. Over the last 2 weeks a few students have come to school with Nutella in their lunches. Parents are reminded that Sissons is a peanut/nut free school. Nutella which is made from hazelnuts is not permitted in the school. There has been some improvement in the number of students arriving late each morning but more improvement is needed. Below are the number of students arriving late last week.

Monday Feb. 18 - 38 late

Tuesday Feb. 19 - 39 late

Wednesday Feb. 20 - 38 late

Thursday Feb. 21 - 54 late

Friday Feb. 22 - 43 late

It is great that the weather is now tipping the scales in the right direction for outdoor recesses. It is important to have a change of mitts and neck warmers in their backpacks because the snow sticks to their gear and melts but does not have time to dry between recesses.

March 7 at 2:40 the ASAP dance group will be sharing the results of their hard work at a school wide assembly. Parents are invited to join the school at this event.

Check out the information on page 4 for ideas of activities during the March Break at the Public Library
