This coming Saturday there will be a team of 5 Sissons staff who will be participating in the annual Gumboot Rally to raise funds for the Yellowknife Association for Community Living. The staff have a few fundraising activities scheduled for this week one of which is a Subway lunch this Thursday. The forms will be going home Monday. Another event is that the team is offering to do another staff member's supervision at the cost of \$10 for 15 minutes or \$20 for 30 minutes. If you would like to thank your child's teacher considering buying a supervision for them and donate to a wonderful cause at the same time. See Stéphanie in the office, if you would like to gift supervision coverage to your child's teacher or to one of the other team members. There is also a donation box set up in the office for those in supporting the cause. The team members are Mme Jessica G., Mme Rosie, Mme Stéphanie L., Mme Manon & Mme Sylvie.

Unfortunately Mother Nature wanted us to understand that we live in the north so we have had to postpone the PUDDLE reward. We are not abandoning the activity, hopefully we will still have a chance to play in the water puddles this year. Please support PAC at their annual plant sale May 25th. See page 3 for more information. This year there will be changes to the multicultural luncheon event. An information letter will be sent to families in the next few weeks.
