## Principal's Message

*Last week we had an Emergency Evacuation practice that went well. It is important to be prepared for the possibility of having to evacuate the school in all types of weather. Even if it is too cold to go outside for recess children need to come to school with appropriate clothing to evacuate in case of an emergency. Over the next 2 weeks students in grades 1-3 will complete their French reading assessment. Parents are still invited to sign up for the Grade 1-3 Reading Information evening February 11 . During the 1 hr session you will be shown strategies you can use at home to help your child with their reading. Valentine's Day is next Thursday. Please check with your child's teacher for details about how they will proceed with the day, if they are planning anything special. February 7 at 6:30 there will be an information session for all JK and K parents. If you have any friends that have children who will be school aged in the fall please let them know about our information evening .*

# JK-K Parent Information Evening

Our JK/K Information Evening will be on  
Thursday at 6:30 pm.

This meeting is aimed at new parents.  
For our current parents, your child will  
automatically be registered for next year  
unless otherwise specified.

## HOME READING PROGRAM HOW TO SUPPORT READING WITH YOUR CHILD IN FRENCH IMMERSION

## JHS PAC Hot Topics - January 2019

- Literacy Night workshop will be offered for parents of Grade 1,2 students on Feb 11 at 7pm at the YK1 portable..
- Our Outdoors Committee will be regularly lighting the fire in the walltent one day/week for teachers to use.
- For information on Sissons rebuild - Read the [ECE Website](#) for all updates and documents and the [YK1 website](#) for their updates and documents (click on JHS Renewal Planning Study or Documents). JHS PAC will regularly send updates as well.
- Look for two YK1 surveys for parents/guardians: Would you like to see two STIP days moved to the end of the school year so that the last day of class will be June 19 next year (2020)? Would you like to see the terms of YK1 board members change from 3 years to 4 years?
- Our Plant Sale committee is looking for two new coordinators. There is an excellent manual and great support in place for anyone who is interested. This is our biggest fundraiser bringing in over \$3000 while contributing greatly to curriculum at the school. Please contact [jhspac@gmail.com](mailto:jhspac@gmail.com) if you're interested!
- Look for an announcement about the next PAC after school movie planned for Fri Feb 1.
