Principal's Message

Welcome back from March Break!

Although there has been quite a bit of melting winter is still with us. Last week the bitter cold wind had some students coming to the office for neck warmers, hats and mitts. We have a limited supply of those items in the office so please send your child with some in their backpack even if they do not want to leave the house wearing them. That is especially important this week because we have sent most of our surplus to the ski club for the Camp de neige participants. Last Wednesday we opened up registration for our 2 French Immersion camps for those who will be new to JH Sissons in JK and K September 2019. If you know anyone to which this applies have them go onto the school or the District's website for the link to register their child.

As you can see by the picture on the last page the Acts of Kindness project launched by Mme Stéphanie & Mme Sophie is doing well. Continue to speak about it with your children at home and don't forget to send your their acts of kindness to those 2 teachers. Thank you to the PAC volunteers who put together the plant kits for the annual PAC plant sale over the March Break. Thank you to the families who accepted to nurture plant kits for the sale.

Chers parents,

On March 8th, J.H. Sissons School will be launching a new project:
The Tree of Kindness.

At school, we will be reinforcing and celebrating any random acts of kindness initiated by a student and witnessed by an adult or another child.

For example:

- A student has helped another student who has been hurt during recess without being asked.
- A student has cleaned up the classroom without being asked by the homeroom teacher.
- A student has opened the door for someone without being asked.
- A student has helped another student to carry books without being asked.
- A student has helped Monsieur Stéphane clean up the gym without being asked.

Stéphanie and Sophie will be sharing the acts of kindness over the intercom twice a week (Wednesdays and Fridays) at 2 h 20. They will, then, be displayed on the Tree of Kindness in the library.

How can you be a part of this project?

We would like you to continue to reinforce acts of kindness at home and in the community. This is why, we would like you to share with us any kind of initiated spontaneous acts of kindness that you may witness from your child.

Please send an e-mail briefly describing the act of kindness to:
stephanie.rondeau@ykl.nt.ca and sophie.boissy@ykl.nt.ca

Stéphanie and Sophie will go around the homeroom classes once a week to read and celebrate the acts of kindness. We will also displayed them on our Tree of Kindness.

Please, remember that the act of kindness needs to be initiated by your child.

Examples of a spontaneous act of kindness:

- My child has opened the door for an elderly person.
- My child has read a story to his/her little sister/brother.
- My child has helped clean up after dinner
- My child has volunteered to walk dogs at the SPCA.

Here is a link to a video about kindness that we recommend you to watch with your child. It may engages discussions about examples of acts of kindness.

French Camps

You [can register](#) your child for a French Camp at École J.H. Sissons here.

Four camps will be offered over the next few weeks. Space is limited so make sure to take advantage of this opportunity.

These camps are designed to help you make an informed decision about French Immersion programming and to see what else École J.H. Sissons has to offer your child!

To see the poster? [Click here](#).
