Principal's Message

Hopefully everyone had a restful

Thanksgiving Holiday!!!

Last Thursday marked the 2nd sporting event in which Sissons students represented the school very well in both sportsmanship and athletics. September 21, 2 teams traveled to Hay River to play in the Elks Outdoor soccer tournament.

The grade 4 & 5 girls and boys teams returned with the tournament banner.

Last Thursday our grade 4's played in the Raquet Club's annual squash

tournament. A valiant effort placed them 2nd overall. Thank you to M. Sévigny who accompanied the students to both of these events. This is Fire Prevention Week,

our students continue to hear safety messages from the city's Fire Fighters with the last group visiting the Fire Hall next Friday. This week you will receive a

survey from PAC please take a few minutes to answer it. PAC aligns their activities based on the responses received. You will notice that the

Prospector's tent has been set-up for teachers to take their students outside.

Thank you to PAC for orchestrating this.

Sunday October 14, 2018 at 10:00 we are asking for parent volunteers with a power drill to help us dismantle the ice rink in the back of the school. If you are able to offer your services please call the school so we know how many people to expect.
